

## Stranger on the street

Text und Musik: Autumn Valley

Capo V

Em

Who are you stranger?

G Hm

What's going on in your head?

Em Hm

Who is your friend and how's your familiy?

Em G

What are the things, that keep you awake at night?

Em Hm

Where are you coming from and where will you go?

Am Em

One hundred steps away from me

Am Cmaj7

Your walking on the other side of the street,

Am Em

Don't notice me or care.

Am Em

You're in your thoughts, wonder what is on your mind.

Cmaj7 Em

And I don't know you.

Cmaj7 Em

I don't know you.

Cmaj7 Em

I don't know you.

Cmaj7

I don't know you anyway.

Am Em

So you're going, passing by.

Am Cmaj7

Nothing happens, nothing changes.

Am Em

This moment's gone and over.

Am Em

We'll never meet again, we're departed from now on.

Cmaj7 Em

And I will never know you.

Cmaj7 Em

I will never know you.

Cmaj7 Em

I will never know you.

Cmaj7

I don't know you anyway.
